Cloud migration with Virtusa and Microsoft Azure

Accelerate your path to the cloud, innovate faster, and outperform competitors with Virtusa's proven migration framework and tools

Why migrate to the cloud now?

In today's fast-paced digital landscape, moving to the cloud is no longer optional—it's essential. Cloud migration empowers companies to:

Outpace competitors
by enabling rapid, on-demand scaling to respond to market needs

Save 20% - 50% on TCO
through streamlined, cost-effective infrastructure

Enhance agility
with flexible, up-to-date technology platforms

>87% of businesses are accelerating their cloud journey to support digital transformation and drive innovation
Based on industry insights from recent cloud computing market surveys and analyses by firms like Gartner and IDC

Your path to the cloud with Virtusa

Ready to start your cloud journey? Virtusa offers a comprehensive multi-phase accelerated cloud readiness assessment plan to guide you every step of the way.

Ask us how?

Virtusa's structured approach to cloud adoption ensures a smooth, swift, and strategic transition to the cloud with our four-pillar framework leveraging Virtusa's IP accelerators, cloud-native and hand-picked partner tools
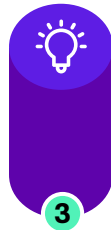

1

Assess
Tailored assessments and business architecture planning to define and prioritize migration phases

2

Foundation
Establish secure, scalable foundations with robust blueprints, skills development, and compliant landing zones

3

Migrate and innovate
Proven high-velocity, iterative migration methods that ensure operational continuity

4

Manage
Post-migration support with continuous optimization to maximize cloud performance and minimize costs

Why choose Virtusa?

Trusted cloud migration partner for Fortune 500 companies
Virtusa is the choice partner for over 50 Fortune 500 clients. Our expertise and reliability make us the trusted advisor in cloud transformation, consistently achieving high productivity and operational efficiency

Engineering heritage
Decades of experience in designing high-quality, future-proof products and platforms

Outcome-driven results
On average, clients see savings of **30%+** and efficiency gains of **25% - 40%** by leveraging Virtusa's optimized migration strategies

Accelerate with Virtusa's exclusive migration tools
Our suite of proprietary and third-party accelerators makes migrations fast and seamless

CloudGenie
A non-intrusive and rapid formulation of cloud strategy based on the current IT landscape

CloudHedge x-Ray
for automated discovery and assessment

TF Studio for IaC blueprints
30% faster infrastructure provisioning

GenAI for modernization
AI-driven code and API generation to re-engineer legacy systems as microservices

vGovern for cloud governance
Optimizes cloud operations across FinOps, SecOps, and CloudOps

Virtusa and Microsoft: A partnership that drives success

Virtusa has the credentials, expertise, and recognition to help enterprises unlock the full potential of Microsoft Cloud.

Microsoft partner for 8+ years

Certified Solution Partner for Infrastructure, Data and AI, and Digital and App Innovation with Azure Innovate and Azure Migrate and Modernize programs

Award-winning expertise

Microsoft "Partner of the Year" for Application Modernization (2023), Power Automate (2022), Application Modernization (2021)

Advanced specializations

Infra and database migration, Kubernetes and migrate enterprise apps

Over 1400 Azure certifications

With a talent of 2200 practitioners and 1400+ certifications, Virtusa has been recognized as a Major Contender and Star Performer in the Azure Services PEAK Matrix® by Everest Group

> *Virtusa's extensive experience in Microsoft Cloud Solutions ensures a powerful, reliable cloud migration experience for enterprises.* **- Tyler Bryson, CVP US, Microsoft**

Success stories:

Real results for leading brands

40% cost savings for a leading bank
Migrated on-prem workloads to Azure, significantly reducing costs

30% infrastructure savings for HR firm
Reduced costs by moving critical services to Azure

95% reduction in provisioning time
Built cloud foundations for a global financial services firm, expediting deployment

Start your cloud journey with Virtusa

Evaluate your cloud readiness

Let Virtusa assess your current infrastructure and set a clear, strategic migration path with our 5-phase readiness assessment plan
